

Efficient support with a touch of excellence

Background

2BM offers a solid service concept, enabling our customers to gain the benefit of Business Process Outsourcing (BPO). We have extensive knowledge in improving and operating payroll processes. Currently 2BM supports the generation of approx. 50.000 payslips/month in SAP HCM environments. Some of our customers include: Dong Energy, Arla Foods, Vattenfall, Scnadlines, Velux and PFA Pension.

2BM's Service Offerings:

- BPO - we run your processes within Payroll, Reimbursements and/or Talent Management
- Application Management Support - you run the system and business processes
- Cloud (PaaS & SaaS) - 2BM runs the cloud system

BPO

As a Business Process Outsourcing provider, 2BM runs your processes within Payroll, Reimbursements and/or Talent Management. We create win-win partnerships based on a professional approach. Our partnerships are based on:

- our core BPO values: capacity, flexibility, stability and reliability
- competitive terms and conditions including general transparency in the services provided – such as standard and mutually defined KPIs.
- our ability to support all requests and services in an effective way.
- a complete Danish set-up with local presence in Denmark.

Application Management

2BM has massive experience in SAP HCM. Our implementations at companies such as Dong Energy Siemens Windpower, Postdanmark, Novo Nordisk, ARLA Foods etc. have proven our experience and knowledge to engage with global companies. 2BM has also been KMD implementation partner since the start of 'KMD Nettoløn' and is the company with the most Payroll KMD Netpay implementations.

2BM's Application Management includes:

- Maintenance of the SAP HCM solution in operation, including maintenance of existing customization within SAP HCM.
- Handling support package releases from KMD and SAP.
 - Receive KMD and SAP packages and agree with the customer on timing
 - Perform tests of the system updates
